

BeeBlue.shop

AI-Powered Instagram Shopping Assistant

The Problem

Inspiration-Purchase Gap

Instagram is a major source of product discovery but lacks a seamless “buy now” experience

Limited Shoppability

Most posts aren't tagged, forcing users to manually search for products

Inefficient Visual Searches

Text-based searches fail when users have only an image as inspiration

Our Solution

BeeBlue.shop

- ❖ AI-driven assistant integrated with Instagram DM

How It Works

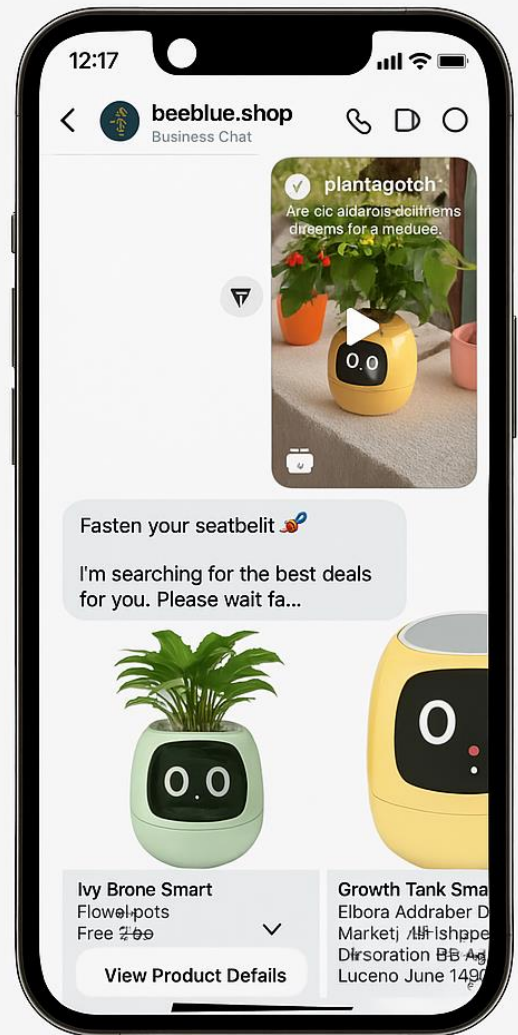

Users send any IG post (image, reel, or share) via DM

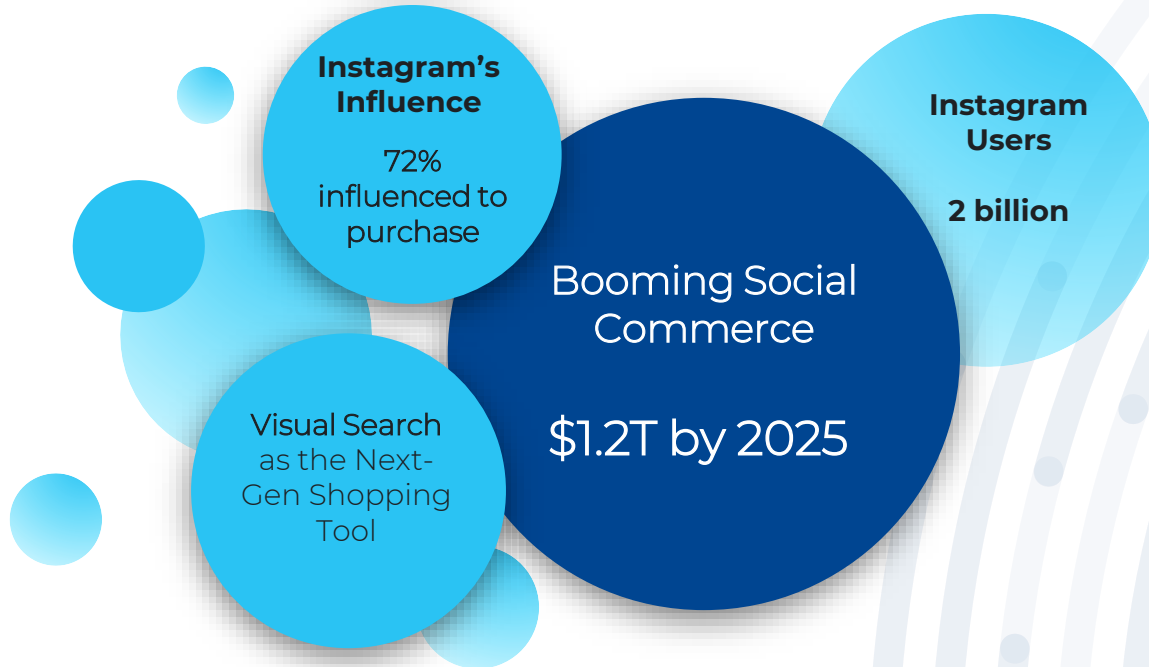

Advanced AI analyzes the content

Instantly returns a list of the Top 5 matching products

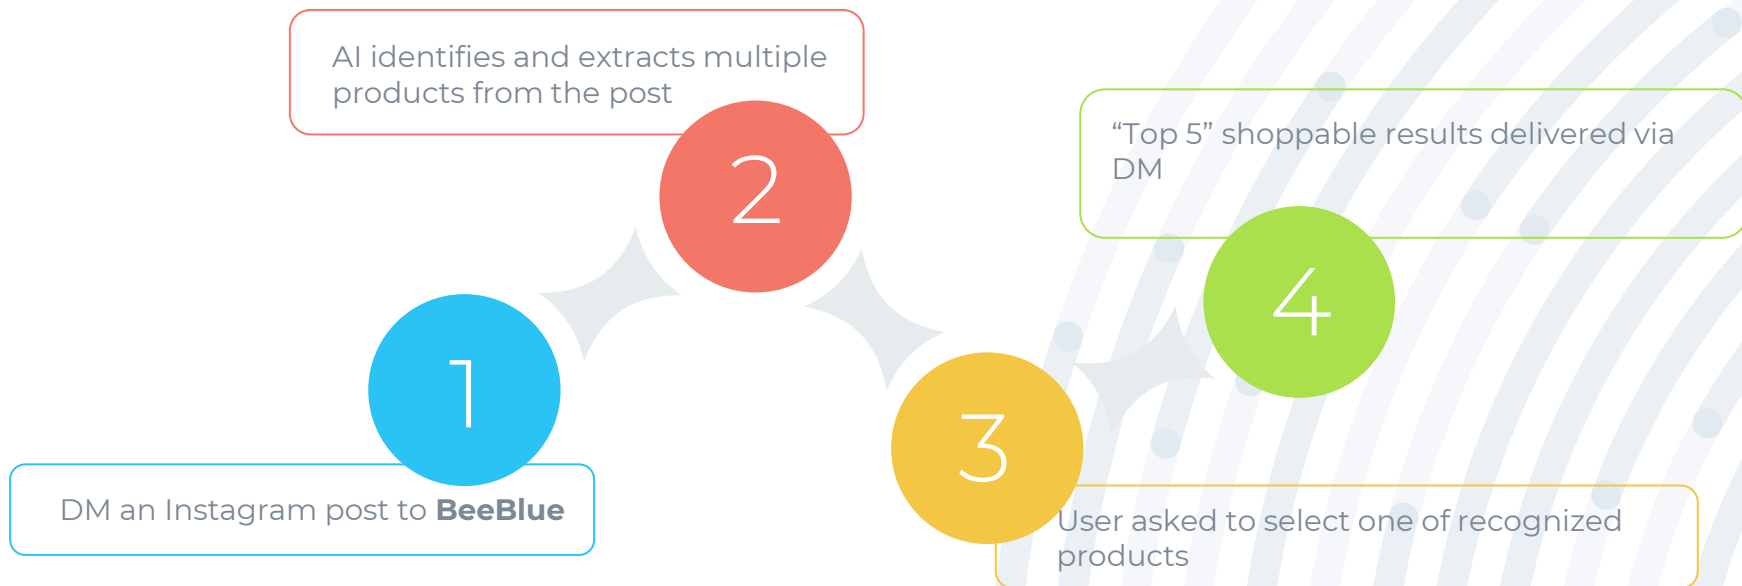

Market Opportunity

Product Overview

- ✓ Free for users with limited queries on reels and unlimited image analysis

Competitive Landscape

Visual Search Tools

Google Lens
Pinterest Lens
Amazon StyleSnap

AI Shopping Assistants

Aesthetic.ai
FitCheck
Snapchat Screenshop

Influencer Platforms

LTK
ShopStyle
Instagram Shopping

Our Differentiation

Works on any
Instagram post

Seamless DM
experience

Cross-category &
multi-brand coverage
without manual
tagging

Business Model

Free Core Service for Users

Limited queries on reels; unlimited image analyses

Monetization Streams

- ✓ **Affiliate Revenue:** Earn commission on referred sales
- ✓ **Sponsored Placements:** Branded product recommendations
- ✓ **Influencer Collaborations:** Revenue sharing with micro/mid-tier influencers
- ✓ **Premium Features (Future):** Subscription tiers, personalized style consulting
- ✓ **Data Insights:** Aggregated trends for brands and retailers

Go-to-Market Strategy & Traction

 Total Cost: **3,500 CAD**
 Affiliate Revenue: **42,000 CAD**

 Follower Target: **500,000**
 Active Users (10%): **50,000**
 Total Usage: **3,000,000**
 Total Cost: **8,000 CAD**
 Affiliate Revenue: **105,000 CAD**

Cost-to-Revenue Analysis

Steps	Followers	Active Users	Usage Volume	Total Cost (CAD)	Affiliate Revenue (CAD)	Net Profit/Loss (CAD)
Month 1	5,000	500	30,000	1,000	1,000	0
Month 2	30,000	3,000	180,000	1,000	6,000	+5,000
Month 3	100,000	10,000	600,000	3,000	21,000	+18,000
Month 4	200,000	20,000	1,200,000	4,000	42,000	+38,000
Month 5	350,000	35,000	2,100,000	7,000	73,000	+66,000
Month 6	500,000	50,000	3,000,000	8,000	105,000	+97,000
Total	-	-	7,110,000	22,379	248,000	+226,000

Notes:

- **Usage Volume** = *Active Users × 3 requests/day × 20 days*
- **Affiliate Revenue** = *1% of Usage Volume × CAD 50 average order × 7% commission*

Thanks!
